My portfolio

Current world languages teacher, tomorrow's full stack web developer. Passionate about working in a collaborative environment and bringing elegant and meaningful web experiences to all kinds of users. Well known of being a team player and a problem solver.

ABOUT ME

From teaching to coding.

EXPERIENCE

2010 – today

Various school districts in Delaware, Maryland and New Jersey, USA

- World languages instructor (Spanish and Greek) in a variety of school settings (elementary and middle-school).
- Elementary teacher (K-2nd Grade) teaching math, science and languages in a fully immersive foreign language setting (in Spanish and Greek)

EDUCATION

- 2020
Bootcamp certificate
University of Pennsylvania, USA
A 24-week-long intensive program focused on gaining technical programming skills in various languages and technologies.
- 2008
Masters in family counseling
Universidad de Sevilla, Spain
Post graduate studies with a focus on family mediation and conflict resolution with minors.
- 2007
Post graduate certification
Aristotle University of Thessaloniki, Greece
Post graduate studies focused on effective teaching strategies for kids and youth with special abilities and needs.

SKILLS

HTML5 • CSS • Bootstrap (and other CSS frameworks) • JavaScript • jQuery • Firebase
Node.js • MySQL • MongoDB • React.js
Handlebars • Express.js

PERSONAL

I am a massive minifig and Lego Star Wars set collector. I also enjoy Sci-Fi books and movies, cooking for family and friends and playing board games.
